## Handling of Personal Information at NanoTerasu

The **National Institutes for Quantum Science and Technology**, the **Photon Science Innovation Center**, and the **Japan Synchrotron Radiation Research Institute (JASRI)**, which manage and operate NanoTerasu, will appropriately manage personal information handled in the management and operation of NanoTerasu in accordance with the laws and regulations of Japan.

In accordance with the **Act on the Protection of Personal Information (Act No. 57 of 2003)**, the following matters are hereby disclosed.

---

### 1. Name, Address, and Representative of the Organization

#### National Institutes for Quantum Science and Technology

- **Address:** 4-9-1 Anagawa, Inage-ku, Chiba-shi, Chiba, Japan
- **President:** Shigeo Koyasu

#### Photon Science Innovation Center

- **Address:** 468-1 Aoba, Aramaki, Aoba-ku, Sendai-shi, Miyagi, Japan  
Aobayama Universe 306
- **President:** Masaki Takata

#### Japan Synchrotron Radiation Research Institute (JASRI)

- **Address:** 1-1-1 Kouto, Sayo-cho, Sayo-gun, Hyogo, Japan
  - **President:** Yoshiyuki Amemiya
- 

### 2. Purpose of Use of Personal Information

- **Review of applications for the use of NanoTerasu**
  - **Ensuring safety, facility maintenance, and trade control at NanoTerasu**
  - **User support at NanoTerasu**
  - **Connection to the information network at NanoTerasu**
  - **Support for processing and analysis of measurement data obtained through the use of NanoTerasu**
  - **Provision of information related to the public relations of NanoTerasu**
  - **Improvement of the convenience of NanoTerasu**
- 

### 3. Personal Information Consultation Desk

The contact points for disclosure requests and other consultations regarding the handling of personal information at each institution are as follows:

#### **4. Measures for the Protection of Personal Information**

Each institution responsible for the management and operation of NanoTerasu establishes and publicly discloses regulations related to personal information protection and appropriately manages personal information.

- **National Institutes for Quantum Science and Technology**  
Managed in accordance with the **Personal Information Protection Regulations**.
- **Photon Science Innovation Center**

Managed in accordance with the **Personal Information Protection Regulations**.

- **Japan Synchrotron Radiation Research Institute (JASRI)**

Managed in accordance with the **Personal Information Protection Policy for Users and Related Individuals**.

---

## **5. Joint Use of Personal Information**

The **National Institutes for Quantum Science and Technology**, the **Photon Science Innovation Center**, and the **Japan Synchrotron Radiation Research Institute (JASRI)** jointly use personal information within the necessary scope for the management and operation of NanoTerasu, in compliance with applicable laws and regulations.

### **Items of Personal Data for Joint Use**

The following personal data will be jointly used:

- Name
- Date of birth
- Gender
- Email address
- Phone number
- Affiliation
- Address
- Photograph
- User ID
- Health checkup results
- Radiation exposure dose from the previous year
- Inquiry details and responses
- All other personal data except for those explicitly requested for exclusion by the individual

### **Scope of Entities for Joint Use**

- **NanoTerasu Secretariat ※**
- **National Institutes for Quantum Science and Technology, NanoTerasu Center**
- **Photon Science Innovation Center**
- **Japan Synchrotron Radiation Research Institute (JASRI)**

### **Purpose of Use by Joint Users**

Please refer to "**2. Purpose of Use of Personal Information**."

### **Name, Address, and Representative of the Entity Responsible for Managing Personal Data**

Please refer to "**1. Name, Address, and Representative of the Organization**."
